# Micro Traveler 900S

## Super mini 2.4GHz Wireless Notebook Mouse

Experience a super mini mouse from Genius ~ Micro Traveler 900S. It's only 68 mm long with a soft rubber design on both sides for comfortable hand gripping. It's a perfect match for your mini notebook.

The 2.4GHz anti-interference RF technology extends your operating range up to 10 meters and the high precision 1200 dpi engine ensures every movement is smooth. With the Stick-N-Go mount design, you can attach Micro Traveler 900S to your mini notebook and bring it with when you have office meetings. Also, the pico receiver can be stored underneath the mouse so it's much easier to carry with you. For more information about Micro Traveler 900S, just contact your sales representive.
